GUNDERSEN TRI-COUNTY HOSPITAL AND CLINICS

Dear friends,

We are excited to announce that the Tri-County Memorial Foundation will hold its annual golf event on Friday, June 26, 2026, at Ettrick Golf Course in Ettrick, Wisconsin. This important community and regional event is one of our major fundraisers supporting Gundersen Tri-County Hospital and Clinics.

We are currently seeking event sponsors, donors, and golf participants to join us in making a difference. Please confirm your participation by June 1. Attached you will find a list of sponsorship opportunities and the registration form. You can also register online using this link: Tri-County Memorial Foundation Annual Golf Event to participate.

Funds raised from this event will support our trauma harm reduction efforts, specifically the **"Distracted Driving Simulator"** initiatives in local high schools. Thanks to the generosity of businesses and community members like you, your support strengthens our ability to improve the health and wellness of the communities we serve.

We truly appreciate your continued support and thank you for your consideration.
